Notice on Baggage Security Inspection of Passengers Transferring at Taoyuan International Airport

Dear Valued Travel Agents,

Please be informed that there will be security check regulations if passengers need to transfer through Taoyuan International Airport with details as follows:

1. Lighters, spare lithium batteries and power banks are forbidden in passengers' checked baggage but allowed in carry-on baggage only.
2. Small rechargeable lead-acid battery products (e.g. portable fans, torches and mosquito zappers etc.) are forbidden in carry-on or checked baggage.
3. For more information, please refer to EVA Air's website (<https://www.evaair.com>).

If items carried by passengers violate the relevant regulations and are not permitted onboard, EVA Air will not be liable for item safekeeping, loss, and/or damages as a result.

Please kindly convey to all related department at your offices, your branches and/or sub-agents.

For any further inquiries, please contact EVA Air Sales Department.
